## **Kudos!**

Congratulations to Amy Williams and Nadine Bergman who were two of the top students in the last national exam. Growth Institute is very proud of the fact that Amy and Nadine were recognised as top learners by the Institute of Certified Bookkeepers. Their performance shows that dedicated hard work can create rewards. Amy and Nadine have to balance the pressure of work while studying for a professionally recognised qualification.

Nadine and Amy qualify for the Phahamisa Award and we are sure that they will continue to perform at the highest possible level.
