## Our “Pay as you Go” Plan

### Fact Sheet:

In today's, tough economic times, students find it hard to pay their study fees upfront or on a semester-by-semester basis.

That is why we have decided to offer all our students a number of benefits to make their studies as affordable as possible. Here are the details of our “Pay as you Go” plan:

#### Books

All students receive their books for free! Yes! We pay for your books.

#### Exam Fees

Students do not pay exam fees

#### Flexible pay off terms

Students that cannot afford to pay their fees up front or on a semester-by-semester basis can pay their fees on a **module-by-module basis**. This is known as the “Pay-as-you-Go” Plan.

#### How does the “Pay-as-you-Go” Plan work?

Here are the rules:

- 1) Students must pay their **once-off** registration fee and the fee of the first module to the college
- 2) Students then have a **maximum of 10 months** to pay the rest of their class fees
- 3) Students and their parents sign a contract in which they agree that all class fees will be paid within 10 months after they paid the registration fee and the fee for the first module
- 4) Students will be allowed to attend classes and write exams BUT if their accounts are in arrears, they will not receive exam results until the arrears account has been paid.
- 5) At the completion of each program, there is a graduation ceremony. Students who have any monies outstanding on their accounts will NOT be allowed to attend the graduation ceremony and all exam results will be withheld.
