

PHAHAMISA!

building a competent nation

A Program Designed for Innopreneurship Stimulation

- Thousands of South African Youth have incomplete commercial qualifications
- Incomplete qualifications could be converted into a series of professionally accredited commercial qualifications
- The Phahamisa!™ Project allows anyone with an incomplete commercial qualification to take a step towards economic freedom

You could be closer to a qualification than you think:

- Financial Accounting Program
- Business Management
- Entrepreneurship Program
- Office Administration Program
- Tourism & Hospitality Program

Learn how you could use an incomplete qualification to launch a successful business!
